2021-2022 Business & Phone Directory

The Akron Chamber of Commerce is preparing the 2021-2022 Akron/Newstead Directory. Our directory is printed every other year and will be distributed at drop points around Akron/Newstead as well as made available during Chamber Events making it easy for everyone to get a copy. We will be printing 4,000 directories this year. When you consider that the book will be working in the community for the next two years, the cost is minimal. We recommend every business in the area take advantage of this advertising opportunity in the directory. Please support your local Chamber of Commerce with your advertisement.

Advertisers in the Directory are entitled to one free listing in the Buyers Guide at the back of the book. If you do not choose a category, we will use our best judgment. In addition, your business will be listed in **BOLD** print in the telephone number section of the book.
